

* Highly readable book on how to fight poverty. Development in Hindsight gives insight into major development issues, such as the contribution of aid to the economic growth of developing countries and the effect of globalization on the fight against poverty. It also considers the role of the state and the market in development and the institutional dimension of economic growth. All this in an up-to-date, highly readable, and entertaining manner. It is a must for students, development practitioners and for those interested in the development challenges of developing countries, especially in their fight against poverty.

On the Edge of Earth: The Future of American Space Power, Common Core Grade 11 English Language Arts Secrets Study Guide: CCSS Test Review for the Common Core State Standards Initiative, Magical Girl Apocalypse Vol. 4, Augustines Theology of Preaching, Cosmopolitan Asia: Littoral Epistemologies of the Global South (Routledge Malaysian Studies Series), Paying for Rain: A History of the South East Kelowna Irrigation District, Changing Outcomes: A Financial Recovery Strategy for Peak-Career Physicians (Wealth Management for Physicians), The Storm After (Winds of Change Book 1),
