

Containing photographs of the authors actual on-site discoveries, Hidden Treasures of Ancient American Cultures weaves a riveting story of these long gone people. ...absolutely fascinating! John Heinerman takes us through ancient caves, legends and scriptural resources in weaving together a story of the remnants of our ancient American ancestors. Written in anecdotal style, the careful research is enhanced by personal stories of intrigue and danger, and many thoughtful observations. You can view for yourself pictures of his personal findings in different caves. David L. Gillette, retired Salt Lake City attorney
