

Reiki is a system of healing using the endocrine system and chakras. Practitioners go through three stages of attunement to reach master status. This book shares the knowledge of this spiritual art and brings together both its practical and spiritual sides. The treatment of common ailments such as colds, headaches, bumps and bruises, as well as more serious complaints such as arthritis and trauma is explained with step-by-step colour photography. The use of Reiki with other alternative therapies such as aromatherapy, reflexology and flower essence is also explored.
