

Know your spiritual authority by learning about your metron in this first book of a 2-book series. Book 1 discusses the basics, such as defining a metron, how to steward it, and more. The metron is our God-given sphere of authority and influence here on earth. It is our own personal "atmosphere" that we carry around with us everywhere we go. Larger than the aura and chakras, and quite different in its operation, the metron extends over more than just "places." It covers people, places and things. Know your metron, and step into your calling!
