

The Kahill vampire clan has lived among humans for hundreds of years in the peaceful village of Clare Point. In Undying, V.K. Forrest introduces readers to Arlan, a fierce clan member who must fight his desire for a love most forbidden. . . Undying As part of the Kahill clans special operations kill team, Arlan is devoted to ridding the world of its most depraved human members. Hes been asked by fellow clan member and FBI Agent Fia Kahill to assist in one of her investigations: the notorious Buried Alive Killer case. When Arlan meets with one of Fias key informants, Macy Smith, hes completely unprepared for his response to the young woman. Achingly beautiful, Macy is everything Arlan wants in a woman--and the attraction is mutual. Although Arlan vowed he would never again fall in love with a human, he surrenders to his overpowering desire for Macy. . . . But Macy is a drifter with a past far darker than even Arlan can imagine. And when the Buried Alive Killer strikes again, he learns that she has a deep connection to the case--one that will put her in the crosshairs of the killer if Arlan cant find a way to protect her. . . .
